2003 ON TRACK YOUTH LEADERSHIP SEMINAR

“The activities will be challenging, motivating and fun,”

interactive seminar which means comments “This will be an interactive seminar which means participants will

problem solving and communication skills, which will help build teambuilding, mutual trust, and peer

be required in all leadership exercises. The activities will be challenging and motivating and fun. The curriculum used in the seminar is a leadership program known as “Ropes.” The course which consists of a series of exercises and games which helps the participants develop their

leadership. Majority of the seminar will be “Ropes,” but will not be limited to it. Now the best thing about the whole thing is that the trip is free, but we only have 20 openings and it is on a first come basis. Meals and Transportation will be provided all you need to do is show up.

On January 2 and 3 for two days and one night MSM's youth program “On-Track,” will be hosting a youth leadership seminar. This seminar will help youth build leadership, organizational, and teamwork skills which are very important in today's employment market. In addition this seminar will give the youth the opportunity to become acquainted with other fellow peers participating in MSM's “On-Track,” which will create a network with in the youth. Caseworker, Young Hong comments “I believe, our youth clients could be a resource of positive peer influence to each other.” Caseworker Susan Dalo also comments “This will be an
